If you made a list of performers who have sold more than 53 million records, won multiple Grammys for Best Male Vocalist and countless other honors, earned a star on Hollywood's Walk of Fame, and sold out arenas worldwide, Michael Bolton would be on that list. But if you tallied all the artists who've sung with Luciano Pavarotti and Ray Charles, written songs with Bob Dylan, Ne-Yo and Lady Gaga, penned hits for Barbra Streisand and KISS, played guitar with B.B. King and had his music recorded on a track by hip-hop superstar Kanye West (featuring megastar Jay-Z), Michael Bolton would be the *only* name on that list.

The Gillett Entertainment Group and Live Nation are pleased to announce that Michael Bolton will perform at the Halifax Metro Centre Theatre on Friday, March 19. Tickets will go on sale this Saturday at 9:00 a.m.

For his latest CD *One World One Love*, scheduled to be released in Canada on March 2nd, Bolton has worked with an impressive array of producers, songwriters, and artists for a total of 12 songs which the artist qualifies as one of his most challenging and satisfying efforts to date. Two of the more significant examples are the amazing ballad *Murder My Heart* co-written by worldwide superstar Lady Gaga and his work with Ne-Yo on the fresh and vibrant track, *The Best*.
