"We are extremely excited to announce this upcoming Canadian tour where we will re-create our *Clumsy* record live from top to bottom. Be prepared for the most comprehensive OLP show to date as we'll also be playing a full 2nd set of songs from all our other records. See you there!!" states Raine Maida

That's right! Gillett Entertainment Group and Live Nation are pleased to announce that **Our Lady Peace** is scheduled to make an appearance at Halifax Cunard Centre on March 7. The band will perform their classic diamond certified album *Clumsy* from top to bottom which included the Hits - *Superman's Dead*, *4AM*, *Automatic Flowers* and *Clumsy*. The full Album performance will then followed by a set of all of your favourite Our Lady Peace hits derived from their catalogue of 7 Albums!

Fans have embraced *Burn Burn*, the band's 7th studio recording released earlier this year. The Canadian mainstay rockers drove up the charts debuting Number 3 on Canada's Nielsen Soundscan's Top 200 and Number 41 on Billboard's Top 200 and *Burn Burn* has now surpassed Gold certification in Canada. The first single "*All You Did Was Save My Life*" hit Number 3 on Canada's Rock Radio Chart and has had huge success at Alternative radio in the U.S. The new single from *Burn Burn*, entitled, "*The End Is Where We Begin*," is now Top 15 at Rock Radio and the video is in heavy rotation on MuchMoreMusic.

Our Lady Peaces' live show is as good as it has ever been and that was reflected in recent sold-out shows in NYC and Los Angeles that had BILLBOARD gushing "OLP proved their readiness as arena-worthy superstars during the opening night of their U.S. tour!"
