Evenko and Live Nation are very pleased to announce that legendary duo **SIMON & GARFUNKEL** will perform two shows at the Halifax Metro Centre on Saturday, July 24 and Sunday, July 25 part of their North-American Tour. The Halifax dates will be the only shows that they will presented in Atlantic Canada.

Beginning in Vancouver on July 3, the majority of the dates will be in Canada, bringing the pair to multiple cities for the first time in many years -- and several others for the first time ever -- in addition to selected dates in the US. Canadian cities are: Toronto, Montreal, Vancouver, Edmonton, Calgary, Winnipeg, Ottawa and now Halifax!

The pair recently performed a heralded set at the 25th Anniversary Rock & Roll Hall of Fame Concert. "Simon and Garfunkel walked onstage together to a rapturous standing ovation," said Rolling Stone, and "ended with a jubilant "Cecilia" that had everybody in the Garden singing along." The Times of London said simply: "one of the most extraordinary jam sessions in the history of rock'n'roll."

For the upcoming shows Simon & Garfunkel will perform a set of timeless songs from their catalog, in addition to highlights from Paul & Art's solo careers -- each night a journey through an awe-inspiring musical legacy that has proven to be the soundtrack for generations.

With six studio albums and a collection of some of the most memorable and significant singles of all time, including, *Bridge Over Troubled Water*, *I Am A Rock*, *Homeward Bound*, *A Hazy Shade Of Winter*, *Mrs. Robinson*, *The Boxer*, *Cecilia* and *Scarborough Fair/Canticle*, just to name a few, the duo have received several Grammys and are inductees of the Rock and Roll Hall of Fame. They have reunited on several occasions since their 1970 break up, most famously for 1981's The Concert In Central Park, which attracted over 500,000 people.
